

Internet Revision Sites

The following list of links gives a good wide selection of revision sites on the internet that are *free* to use.

Interactive With Immediate Feedback

<http://www.cimt.plymouth.ac.uk/projects/mepres/book7/book7int.htm>

basic number work, algebra, shape and space and data handling – designed for levels 3-6 of the national curriculum

<http://www.cimt.plymouth.ac.uk/projects/mepres/book8/book8int.htm>

More complex Number, Shape, Algebra, Data Handling – designed for levels 5-8 of the national curriculum

<http://www.mymaths.co.uk/>

Designed for all levels – Login:- lynngrove Password:- thermal

<http://www.bbc.co.uk/schools/ks3bitesize/maths/>

This is the BBC site specifically designed for the KS3 tests. The maths is interactive and there are tests. Also useful for the English and Science.

<http://www.bbc.co.uk/schools/gcsebitesize/maths/>

As you can imagine, this is the GCSE site. The levels are given with each page, but the foundation levels are most relevant. Intermediate is appropriate for pupils studying level 8 of the national curriculum.

Examples of any topic you can think of!

http://www.10ticks.co.uk/S_help.aspx

Just type the topic and then your level.
It is a good idea to review earlier levels as well!

<http://www.gcseguide.co.uk/>

There are links to examples on any topic on the KS3 maths exam, even though it is designed for GCSE Maths.
